Re: Fisher v. Radko and Rauch
No. 07-CV-9239; Southern District of New York, White Plains Division

Dear Nancy:

This letter will memorialize our stipulation that Christopher Radko has until February 7, 2008 to answer or otherwise respond to the original complaint. As I mentioned, I am attempting to obtain counsel to represent Mr. Radko in this case.

I would appreciate your counter-signing and filing this stipulation with the Court. I deeply appreciate your professional courtesy.

Sincerely,

Michael G. Wimer
